DECLARATION OF CONFORMITY CE

We, manufacturer

TM MOTORI S.r.l. - UNIPERSONALE
Via Lago di Albano, n°51
36015 Schio (VI) ITALY

Declare that the product manufactured for use in industrial environment:
Asynchronous motor “TM-TMM-TMS-TMK-TMV-TME”
size 63-71-80-90-100-112-132-160-180-200

Is in accordance with

2004/108/CE
(EMC Directive)

2006/95/CE
(Low Voltage Directive)

Verified through test in accordance with the European standards:

EN 61000-3-2 :2000	EMC: Limits for harmonic current emissions
CEI EN 55014 (5° ed. 2008-01)	EMC: Household appliances, electric tools and similar apparatus
CEI EN 60034-1:2006	Rotating electrical machines: Part 1: Rating and performance
CEI EN 60034-5:2001	Classification of the degrees of protection of the wraps for electric equipment
CEI EN 60034-7:1997	Classifications of types of constructions and mounting arrangements
CEI EN 60034-9:2006	Rotating electrical machines: Noise limits
CEI EN 60034-14:2005	Mechanical vibration: Measurement, evaluation and limits of vibration
CEI EN 60072-1 :1991	Dimensions and output series for rotating electrical machines

The motors in object are even in accordance with the Directive “Macchine” 2006/42/CE: the component motor cannot be starting before the machine, in which it will be incorporated, will be declared complying to the dispositions of the Directive.

When using the motor it is necessary to guaranteed the respect of the rule EN 60204-1 and of the safety instructions written in the use manual of the producer.
